Please feel free to enclose information about you and your horse (i.e., age, level training, and accomplishments) that might be useful in the selection process. Also, please include a Youtube or other video link and a very brief (2 – 3 minutes) video of you and your horse. Please remember that selection is NOT based on the best horses or riders but on the ability to provide a diversified group of riders and horses that best exemplify the value of exceptional training at all levels.

Preference will be given to riders who will ride both days. The cost for the clinic is \$255 per lesson (for a \$510 total).

Lunch is included each day for each rider and their groom. Refreshments and snacks will be served throughout the day.

We're sorry but only limited stabling will be available on the property. Two stalls will be available for overnight guests with priority given to those coming from farther away. If you would like stabling, please check here and the necessary information will be sent to you

**IF SELECTED TO RIDE, ALL FEES ARE NON-REFUNDABLE.**

We will do our best to maintain a waiting list of potential replacement riders but cannot guarantee their availability, particularly on short notice. You may be responsible for finding your own replacement.

Send your information no later than September 20 (or earlier if possible) to:
